

Protection for drones/unmanned aircraft

READY FOR TAKEOFF

An appetite to get business bound

We are a contracted general agent with the underwriting experience and authority to bind your business with a quality surplus lines insurer. We have access to a market with a broad underwriting appetite, giving us the ability to provide the coverage your customers need.

Don't take unnecessary risks

Whether businesses use drones to photograph or video, or for surveying or mapping, they need to protect themselves from the unique challenges involved with drone operations. Consider the unexpected risks which could impact a business such as malfunctions, operator error, or falling off course. We can provide comprehensive insurance coverage to help provide peace of mind when using these exciting devices.

We offer you a competitive advantage

We can provide the right coverage for your customer, responsive and experienced claim services and competitive minimum premiums. In addition, we offer quality products, proven market stability and broad eligibility – making it easier than ever to serve your customers.

We have access to a General Liability Drone Coverage Enhancement that includes:

- Risks using drones for many different types of business purposes.
- Various coverage options for bodily injury and property damage and/or personal and advertising injury.
- Sublimits up to \$1 million.
- Competitive additional premiums.

Our markets

Coverage will be placed with a U.S.-based surplus lines insurer rated A++ XV by A.M. Best. We want to help you write more business, and we have the underwriting experience, quality products and exceptional service standards to make it happen.

Contact us today so we can provide the experience and coverage you need to help protect your customers.
